- b. **Izmir Ataturk High School:** 2011 – 2015 Izmir, Turkey

2) EXPERIENCE

- a. **Creatifful Minds:** 10/2015 - 01/2018
Position: Co-Founder
Creatifful Minds is the first team in Turkey consisting of only university students who provide creative ideas to CEOs and brand managers of big companies and startups. Our team has two group: the kernel group with students and pool group with 50 students. <http://creatiffulminds.wixsite.com/best/neler-yapiyoruz>
- Case analysis winner: Organizers; IEEE Ege University and Endeavor.
Made a new solution to a startup which is given by endeavor. First, made a canvas for solution and then presented it. Won the case with 400 people’s vote and jury’s choice.
- b. **Verk Energy Technologies Ltd.:** 06/2016 - 07/2016
Position: Internship
Was responsible for market research, analyzing the data and finding new routes, finding new, creative brand marketing
- c. **Sabanci University Academic Support Program:** 10/2016 – Present
Position: SPS 101 & 102 Moderator (Social and Political Sciences) (10/2016 – 06/2017)
Academic Support Program constructs a learning environment on campus via the positive influence of participants and the student administrative body of ASP who cherish academic integrity and ethical values over the university’s social climate. Academic Support Program directs students to benefit university facilities, develop their academic success with their peers and enhance life-long learning skills and I moderated the SPS101 and SPS102 sessions in that program every week.
Position: SPS 101 & 102 Coordinator (06/2017 – Present)
As a coordinator of SPS program, I am organizing the SPS moderators time schedule and supervising them with weekly meetings.

3) PROJECTS

- a. **The Investigation of Selective Interaction Between Mono, Disaccharide, and Gluconobacter Oxydans to be Used in Multi-Purpose Microbiological Indication**
Methods: 2011 – 2012
Position: Project Team Member

As a team member in that project, me and my teammate search Gluconobacter Oxydans' areas of usage. We tested how much can they reproduce in different saccharide types.

Honors and awards in that project:

- **1st Place in Hong Kong International Science Fair:** October 2012
Issuer: Hong Kong International Science Fair
- **1st Place in Turkey in Chemistry Area:** April 2012
Issuer: DOESEF Project Fair
